ASPECTS IN BUMDES

A top-down view of a collaborative meeting. Several hands are visible around a white table, some holding pens or pointing. The table is covered with various hand-drawn business sketches and icons, including a lightbulb, gears, a bar chart, a smartphone, a coffee cup, and a cloud labeled 'IDEA'. The sketches are drawn in black ink with some color highlights. The hands belong to people wearing different colored sleeves (yellow, blue, black, white, red, blue, black).
