

Table One: SSE, SDGs & the ASEAN 2025 Agenda

SOCIAL SOLIDARITY ECONOMY (SSE)	SDG AGENDA 2030 (SDGs)	ASEAN COMMUNITY VISION 2025
The fivefold framework developed by Dr Ben Quinones is used to set the development practice & policy agenda. The call is to shift from an economic priority of profit maximisation to a solidarity driven economy with people & planet in the heart of development.	“No one left behind” with people, planet, prosperity, peace and participation. There is a balanced focus on economic, social and environmental with a commitment to human rights and sustainability.	The vision is for an ASEAN made up of 10 nations to be “rule based, people oriented, people centred ASEAN community where our people enjoy human rights and fundamental freedoms, higher quality of life ... sense of togetherness & common identity...”
GOVERNANCE		
Participation of the poor in ownership & management.	Participation & stakeholder engagement SDG 16.6 accountable & transparent SDG 16.7 on responsive, inclusive & rep decision-making	No formal mechanism for CSO or Community to community (grassroots to engage).
